Notice of Stakeholder Meeting Gebhard Road Alternative Route Study

Meeting Date: Wednesday June 17, 2015
Time: 6:00 p.m.
Place: Central Point City Hall Council Chambers
140 S. Third Street
Central Point, Oregon

INVITATION

The City of Central Point would like to take this opportunity to invite you to a follow-up meeting to the workshop held on February 11, 2015 to discuss the draft options for the extension of Gebhard Road south to East Pine Street. The meeting will be held Wednesday, June 17, 2015 at 6:00 p.m. in the City Council Chambers.

PURPOSE OF MEETING

The purpose of the meeting is to present, discuss and prioritize four (4) draft alternative routes for Gebhard Road (see attached). The four routes to be discussed are based on the ideas developed at the February 11, 2015 workshop. Invitees are encouraged to attend, ask questions, and offer input on each of the alternative routes. The objective of the meeting is for the attending stakeholders to prioritize and recommend a preferred route.

At the July 7, 2015 Planning Commission meeting the Stakeholders' recommendations will be presented to the Planning Commission for continued discussion and recommendation to the City Council.

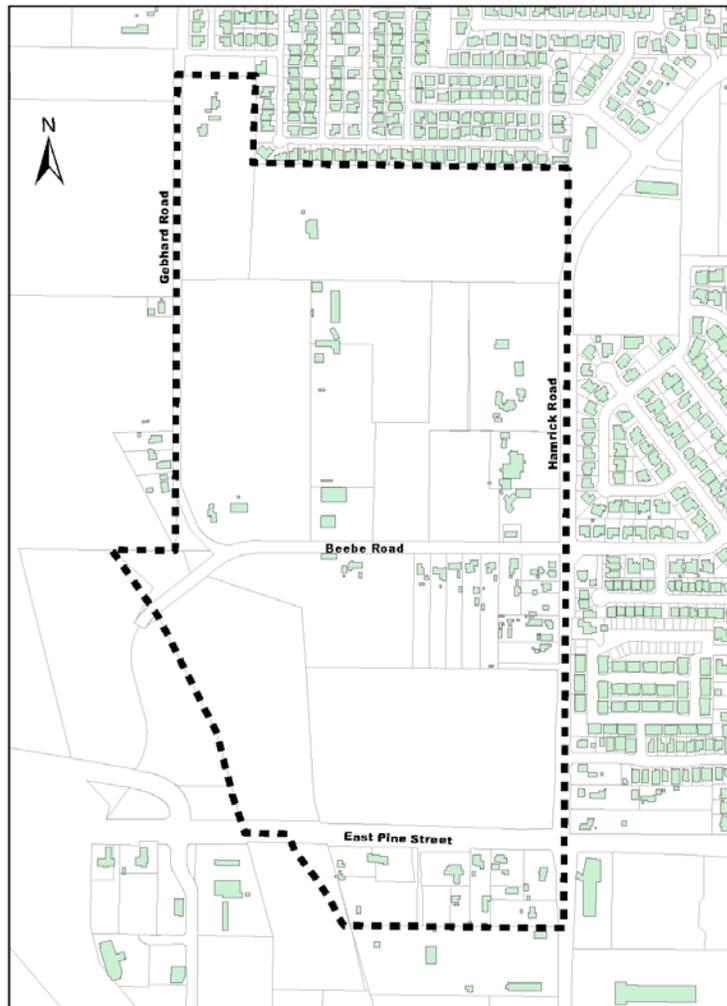

The City's Transportation System Plan (TSP) generally identifies the extension of Gebhard Road south to East Pine Street as part of the City's major street system. At this time it is the City's objective to evaluate alternative routes for the southerly extension of Gebhard Road, with the ultimate goal of identifying a specific route, which will be officially adopted as part of the City's TSP. The purpose of the study is to identify a route only. The actual construction, and construction timing, of Gebhard Road will be tied to development within the study area.
