

KidVenture Parents – You are invited!

We would like to welcome you to KidVenture! We are glad that you have chosen to enroll your child in our program. We will do everything in our power to ensure your child has a positive experience at this early stage in their school career.

Each August we have a welcome night for you and your child to come meet their teachers, see their class space and get to know their school mates. We will also need parents and kids to come and get their pictures taken, and get signed into our check/out system. This is also a great time to get your shot records turned in to us so that you are ready to go on the first day of school.

Our program is a developmentally appropriate pre-k class specifically centered on children ages 3-5yrs. We are excited to take your child through the fun adventures of our well balanced curriculum. This includes circle time, arts and crafts, dramatic play, garden time and much more. After finishing this program your child will have been provided the tools to be ready for their primary years of school!

Please mark your calendars and join us for our meeting on August 18th at 6:00 pm. We hope to answer any questions you many have and get you all set up for the first day of school. Don't forget if you have not turned in your child's immunization records; make sure that you bring them to the meeting! *Your child will not be able to attend KidVenture until we have a current immunization record on file.*

KidVenture Days: Tuesday, Wednesday, Thursday

KidVenture Dates: September 7, 2016 to June 8, 2017

KidVenture Times: 8:15 am – 11:45 am

Sincerely,

KidVenture Staff

Parks and Recreation Department
