Place: Central Point City Hall
140 South Third Street
Central Point, OR 97502

MEETING PURPOSE

As part of an overall plan for the beautification and re-vitalization of the downtown, the City Council in 2013 approved a Streetscape Concept Plan for the section of East Pine Street from the RR-Xing to 7th Street. The City has since hired a consultant to prepare the final design based on stakeholder and community feedback provided at a community design workshop on July 11, 2016. At this time, the City is inviting the community to comment on the final draft design for the East Pine Street Streetscape.

At the Community Meeting, participants will receive a presentation detailing the various components of the final draft design, which will be followed by a discussion regarding the design and implementation of the final plan. All community comments will be presented to the Development Commission for consideration before finalizing the design. We request that those planning on attending please RSVP to Stephanie Holtey by telephone at (541) 423.1031 or stephanie.holtey@centralpointoregon.gov.
