Notice of Stakeholder Meeting Gebhard Road Alternative Route Study

Meeting Date: Wednesday, February 11, 2015
Time: 6:00 p.m.
Place: Central Point City Hall Council Chambers
140 S. Third Street
Central Point, Oregon

INVITATION

The City of Central Point would like to take this opportunity to invite you to a kick-off meeting to discuss and plan the extension of Gebhard Road south to East Pine Street, the Gebhard Road Alternative Route Study. The meeting will be held Wednesday, February 11, 2015 at 6:00 p.m. in the City Council Chambers.

PURPOSE OF MEETING

The City's Transportation System Plan (TSP) generally identifies the extension of Gebhard Road south to East Pine Street as part of the City's major street system. At this time it is the City's objective to evaluate alternative routes for the southerly extension of Gebhard Road, with the ultimate goal of identifying a specific route, which will be officially adopted as part of the City's TSP. The purpose of the study is to identify a route only. The actual construction, and construction timing, of Gebhard Road will be tied to development within the study area.

The purpose of the meeting is to kick-off the Gebhard Road Alternatives Route Study by inviting study area stakeholders (see map) to participate in the Study. The City has contracted with JRH Transportation Engineers to assist in the evaluation of alternative routes and the selection of a preferred route.

At the meeting City staff and the consultant will introduce the study; its purpose, timeframe, and process. Invitees are encouraged to attend, ask questions and offer input. Throughout the duration of the study there will be other opportunities for continued stakeholder input.
