COMMENTS:

## OREGON REGISTERED PROFESSIONAL ENGINEER CERTIFICATION

I certify that I am a duly registered professional engineer licensed to practice in the State of Oregon. I certify that the attached technical data supports the fact that the proposed development described herein will not impact the 100-year (1% annual chance) flood elevations, floodway elevations or floodway widths on the affected stream located both upstream and downstream of the proposed development, at published or unpublished crosssections in the FEMA Flood Insurance Study specified in Section B of this No-Rise Certification.
