

RESOLUTION NO. 1660

A RESOLUTION TO INCREASE THE PARK MAINTENANCE FEE

Recitals:

- A. In 2015, the City Council adopted Ordinance 2008 setting a park utility fee.
- B. The City needs additional revenue to offset costs for maintaining the Bear Creek Greenway and the Central Point Cemetery.
- C. The current equivalent service unit is \$1.00 per unit for residential and commercial.
- D. Additional revenues generated by this increase would be used to maintain the burned section of the Bear Creek Greenway from E. Pine to the Table Rock Overpass and the Boes Park Area and Central Point Cemetery.

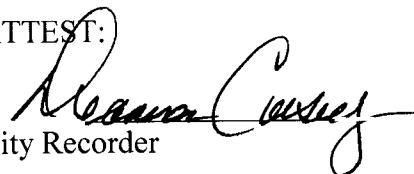

The City of Central Point Resolves as follows:

Section 1. Increase the street utility fee from \$1.00 per unit for residential and commercial rates. The rates will increase by a total of \$.85 on June 1, 2021. Of the increase, \$0.60 would be for the Bear Creek Greenway and \$0.25 for the Central Point Cemetery.

Passed by the Council and signed by me in authentication of its passage this 22nd day of April, 2021.

Mayor Hank Williams
