

RESOLUTION NO. 1741

A RESOLUTION AMENDING THE BUILDING PERMIT FEE SCHEDULE AND RELATED FEES

Recitals:

- A. The Central Point City Council last updated its building permit fees in June 2014 via Resolution No. 1401 and has made no subsequent amendments; and
- B. ORS 455.210(3) allows municipalities to adopt “reasonable fees” to provide for the “administration and enforcement” of the building code program; and
- C. The City Council finds it is necessary to adopt a reasonable fee increase, the first in over 9 years, to keep pace with current costs of administration and enforcement.

The City of Central Point resolves as follows:

Section 1.

The City Council of the City of Central Point, Oregon amends the Building Permit Fee Schedule Effective January 1, 2024, Exhibit A, amending existing fees.

Passed by the Council and signed by me in authentication of its passage this 10th day of October 2023.

Mayor Hank Williams
