

RESOLUTION NO. 1770

A RESOLUTION OF THE CITY OF CENTRAL POINT ADJUSTING THE TRANSPORTATION UTILITY FEE EFFECTIVE JANUARY 1, 2024

Recitals:

- A. In 2008 the City Council adopted Ordinance No. 1910 establishing a street utility fee.
- B. The City adjusted the fee in 2014 to remove minimum and maximums for commercial users per Resolution 1391.
- C. The City increased the fee in 2017 pursuant to Resolution No. 1492 for ADA compliance projects.
- D. The fee was increased in 2021 pursuant to Resolution No. 1661 to offset costs to the general fund.
- E. The current equivalent service unit is \$6.00 or \$0.627 per average daily trip for residential rates and \$0.46 for commercial rates.
- F. Based on a study conducted in 2020 regarding City fees, it has been determined that a fee increase is necessary to maintain the City's existing infrastructure.
- G. Additional revenues generated by this increase would be used to offset inflation in the Street Fund, and ensure sufficient funds for routine maintenance.

**The City of Central Point Resolves as follows:**

SECTION 1. Council hereby approves and authorizes an increase to the Street Utility Fee effective January 1, 2024 as provided below:

<u>Type of Use</u>	<u>Existing Fee</u>	<u>New Fee as of 1-1-24</u>
