

RESOLUTION NO. 1493

**A RESOLUTION AUTHORIZING THE CITY TO ENTER INTO AN AGREEMENT FOR
DISTRIBUTION OF ASSETS OF SOUTHERN OREGON HIGH TECH CRIMES TASK FORCE
UNIT**

Recitals:

- A. On or about 2005, the City of Central Point created the High Tech Crimes Unit (HTCU) which was formed to provide a full range of digital evidence forensic services and investigative assistance other agencies. The HTCU focused on crimes in which computers and cell phones were subject to forensic investigation.
- B. On or about February 27, 2007 Central Point entered into a Memorandum of Understanding (MOU) with the City of Medford (Medford) establishing an interagency agreement in which Medford became a member of the HTCU and set forth the level of commitment, investigative methodology, financial and technical support and other matters critical to the success of the HTCU. Subsequently, the Jackson County Sheriff's Office (Jackson County) became a member of the HTCU. Other agencies were also involved but withdrew from the HTCU prior to this Agreement.
- C. On or about 2010, the FBI sought to partner with the HTCU in order to have access to a regional forensic lab to support its investigative unit, the CCTF. This interagency agreement was referred to as the Southern Oregon High Tech Crimes Task Force (SOHTCTF) and continued to be operated out of Central Point's facilities. Under the SOHTCTF Central Point was authorized to act as fiscal agent, apply for grants consistent with the HTCU mission, and act as the seizing and forfeiting agency. Forfeited funds were to be used for HTCU operations, and if all operation needs were met, could be distributed to participating agencies subject to specified conditions. Under additional MOU's the FBI agreed to reimburse Central Point and other member agencies for overtime, and reimbursed for some costs to remodel Central Point's facilities to accommodate the additional examiners.
- D. Central Point and Jackson County desire to terminate their participation in the SOHTCTF. Notwithstanding the provisions of any previous agreement between the participating agencies regarding the distribution of assets, the participating agencies agree it is in the best interest of the participating agencies to distribute the remaining assets of the SOHTCTF pursuant to the provisions of this Agreement.

The City of Central Point resolves as follows:

Section 1. The City is authorized to enter into the attached "Agreement for Distribution of Assets of Southern Oregon High Tech Crimes Task Force Unit" which formalizes Central Point's termination from the joint task force, authorizes distribution of the remaining forfeiture funds and refund to the City of its budgeted administrative funds,

and sets forth the distribution of the remain equipment used in connection with the SOHTCTF.

Section 2. The Mayor is authorized to execute such intergovernmental agreement on behalf of the City.

Section 3. The City Manager or his designee is authorized to take such steps necessary to effectuate the terms of this Agreement.

Passed by the Council and signed by me in authentication of its passage this 23rd day of February, 2017.

Mayor Hank Williams
