- 8.3. There is no action, suit, proceeding or investigation at law or in equity before or by any court or governmental agency having jurisdiction over the City that is pending or, to the best of the knowledge of the City, is threatened against the City to restrain or enjoin the execution of this Financing Agreement, the adoption of the Resolution, or the collection and application of the funds as contemplated by the Resolution and this Financing Agreement, that, if such matter were adversely decided against the City would, in the reasonable judgment of the City, have a material and adverse effect on the ability of the City to pay the amounts due under this Financing Agreement.
- 8.4. The City hereby certifies, recites and declares that all things, conditions and acts required by the Constitution and Statutes of the State of Oregon and by this Financing Agreement to exist, to have happened and to have been performed precedent to and in the execution and the delivery of this Financing Agreement, do exist, have happened and have been performed in due time, form and manner, as required by law, and that this Financing Agreement is a valid and binding obligation of the City that is enforceable against the City in accordance with its terms, except to the extent that enforceability may be limited by (i) bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other laws affecting creditors’ rights generally; (ii) the application of equitable principles and the exercise of judicial discretion in appropriate cases; (iii) common law and statutes affecting the enforceability of contractual obligations generally; and (iv) principles of public policy concerning, affecting or limiting the enforcement of rights or remedies against governmental entities such as the City.

- 11.3. All rights, powers and remedies of the Lender may be exercised at any time after the occurrence of an Event of Default, are cumulative and shall not be exclusive, and shall be in addition to any other rights, powers or remedies provided by law or equity.
- 11.4. The Lender may waive any Event of Default, but no such waiver shall extend to a subsequent Event of Default.

12. Defeasance.

- 12.1. The City shall be obligated to pay any portion of the Outstanding Balance defeased pursuant to this Section solely from the money and Government Obligations deposited in escrow in accordance with this Section with an escrow agent or independent trustee as provided in this Section, and the City shall have no further obligation to make those payments from any source except the amounts deposited in the escrow. This Financing Agreement shall be deemed defeased if the City:

Financing Agreement, the adoption of the Resolution, or the collection and application of the funds as contemplated by the Resolution and this Financing Agreement, that, if such matter were adversely decided against the City, would, in the reasonable judgment of the City, have a material and adverse effect on the ability of the City to pay the amounts due under this Financing Agreement.

(ii) The adoption of the Resolution and the execution and delivery of this Financing Agreement do not and will not conflict in any material respect with or constitute on the part of the City a breach of or default under any law, charter provision, court decree, administrative regulation, resolution or other agreement or instrument to which the City is a party or by which it is bound.

(c) Such additional legal opinions, certificates, proceedings, instruments or other documents as the Lender, its counsel or Special Counsel may reasonably request to evidence compliance by the City with the legal requirements for execution and delivery of this Financing Agreement and the due performance or satisfaction by the City of all agreements then to be performed and all conditions then to be satisfied by the City.

14. Disclosure; Assignment.

- 14.1. No official statement or other disclosure document has been prepared in connection with this Financing Agreement and the City has no obligation in connection with this Financing Agreement to provide any disclosure regarding operating information or material events to the Municipal Securities Rulemaking Board or any dissemination agent.
