Tree Donation Program

to honor our local heros.

For a tax deductible donation of \$450, this program offers residents the opportunity to celebrate a veteran/hero in their life through the purchase and planting of a tree at Don Jones Memorial Park. Each tree donation will include a 3" by 3.5" metal plaque attached to a post near the tree. The plaque will provide the name of the veteran and a QR code that will link to a city webpage providing biographical information and a photo of the veteran. For Spring planting, the application deadline will be March 1. For Fall planting the deadline will be September 1.

Visit the foundation's website at www.cpprfoundation.org and click on the Scholarship page to access the application, print it out and mail the completed form to the Central Point Park and Recreation Foundation, 140 S. Third Street, Central Point, Attn: Dave Jacobs. Applications can also be dropped off at Central Point City Hall. Printed applications are also available at City Hall. Applications will be reviewed and approved based on federal income guidelines.

Your Foundation believes that all citizens of Central Point should be able to take advantage of the wonderful educational and fun activities organized by our recreation staff. Please be sure to spread the word about these scholarships.

Central Point PARK UPDATES

COMMUNITY CENTER UPDATE

Wow, how time flies when you are having fun! That's exactly how we can describe 2023—a year of fun here at Parks and Recreation. With the New Year upon us, we want to stop and give a big THANK YOU to our community for coming out this year and having FUN with us. This year, we had the pleasure of hosting 10 weeks of amazing summer camps, each with a different theme. We also brought back the Battle of the Food Trucks, which resulted in the best food trucks in the valley competing for the top spot. We appreciate The Sign Dude for their continued support this year, giving away a free truck wrap to the winner.

With this very successful year full of events, recreation classes, and playful days in our Central Point parks, we want to add that we cannot do this without the continued support of our community, and we are very grateful.

A couple of updates for our department: we are working hard on the joint Emergency Operations Center (aka Central Point Community Center) with Jackson County. We are in the final stages of design and working towards hiring a construction company in the upcoming months. The Central Point Little League is moving along nicely; we have finalized a design, and after their 2024 season, we hope to begin construction. Earlier this year, we started some of the groundwork, including bringing water to the location

NEW PLAYGROUND AT FOREST GLEN!

This year, we unveiled our new playground structure at Forest Glen Park. The updated playground features an exciting space theme, complete with a roller slide and two rockets to ride on. This project was many years in the making and is the perfect addition to this wonderful neighborhood park. A big thanks to Playcraft Systems for all their hard work in making this park a reality.
