Each tree donation will include a 3" by 3.5" metal plaque attached to a post near the tree. EDEN FOSTER COMMUNITY SPIRIT AWARD

This year at the Denim and Diamonds Banquet, hosted by the Central Point Chamber of Commerce, Eden Foster was honored with the Community Spirit Award. Eden has been a dedicated volunteer with Central Point Parks and Recreation for many years. In addition to her contributions to our events, Eden serves on the Central Point Parks Commission and Foundation. She also spearheaded the "Plant a Thousand Daffodils" initiative, which has brought thousands of flowers to our city over the last several years. Eden's willingness to serve her community, lead various committees, and her infectious smile make her a pure joy to have in our community.

Central Point PARK UPDATES

WHAT'S NEW WITH RECREATION?

The Recreation Team has been busy preparing for all things summer! We are thrilled to welcome the warmer weather and introduce exciting classes and events for the season. Before delving into the excitement of upcoming events and classes, here is an update on our progress with the Community Center and the Central Point Little League.

The Community Center project is progressing smoothly; we are in the final stages of design and collaborating with Adroit Construction. Our aim is to start construction on the new complex in July of this year. We anticipate sharing design images of the new complex with the public in the upcoming months.

The Central Point Little League has undergone several upgrades in recent months. The parking lot has been graded, the fields' reseeded, and additional material has been added to the fields. We also added gravel walking paths throughout the complex for easy access to the fields.

This summer, we're introducing a plethora of new classes alongside the return of many favorites from previous seasons. We are excited to offer a polymer clay earrings class and the return of a crowd favorite, Slam Dunk Basketball Camp. Our summer would not be complete without a summer filled with Rowdy Summer Camp classes, from Messy Camp to LEGO week we have something for everyone!

Our summer events are in full swing, and we're eagerly anticipating another fantastic year of Made in Southern Oregon event, kicking off with our May event. We have an extensive lineup of incredible vendors, just in time for finding that perfect Mother's Day present. Additionally, we're bringing back the Drive-In-Movie event, this time featuring the new Barbie Movie. The event will be held at the Central Point Little League, with all proceeds going towards the restoration of the complex.

2023 CITY OF CENTRAL POINT INNOVATION AWARD

The Central Point Recreation Staff is proud to accept the Innovation Award. This award was presented to our staff for their phenomenal work "For the Successful Creation of The Hispanic Heritage Celebration." This event brought together the expansive traditions of Hispanic culture, featuring performances, food vendors, games, and informational booths. Due to its overwhelming success, we are excited to announce that it will return again this year!
