# PARKS & RECREATION DEPARTMENT NEWS

Summer of 2021 is upon us and we welcome the warmer weather and the chance to get outdoors and explore our beautiful community. The Central Point Parks and Recreation team is excited to get back into the swing of summer with our amazing recreation programs and special events.

This year we hope the summer will bring a sense of joy, as our daily lives go back to a more normal feeling and our families and friends are finally able to come together. We hope that now, more than ever, we cherish each day we get to spend with our loved ones and look forward to a much brighter future! Please keep in mind that all Parks and Recreation Staff members are working hard to provide our community with safe parks, programs and events, all while following the ever-changing COVID-19 guidelines.

We wanted to give a special thanks to all our instructors that have worked with our staff to provide excellent programming throughout this challenging time. We also want to welcome back many familiar faces, like Al Workman, who will be providing his tennis camps this summer. We are also excited to welcome our new partners at Anytime Fitness. They will be providing a fun Community Fit Boot Camp class outdoors at Twin Creeks Park. We cannot help but get excited about our new Piano and Guitar classes, brought to you by Rogue Music.

After a very paired down 2020 event year, we are elated to have many of our Central Point Special Events in the coming months. Up first is Made in Southern Oregon, our makers and crafters street market on Pine Street. In 2019, this new event brought many creators to Central Point and we know 2021 will not disappoint. We hope to bring back Movies in the Park, Parks and Recreation Day in July and our smash hit, Battle of The Food Trucks in October. Please keep in mind all events are subject to change due to COVID-19 regulations. Please follow our social media pages and website for more updates.

As always our friendly Parks and Recreation Staff is here to help our community in any way we can. Here is to an extraordinary summer together!
